Never Stop Learning

Melbourne Polytechnic offers a different way to learn. In 1912, we began training; delivering courses that saw graduates build upon the industries we see today. In 2022, our courses are just as hands-on and highly regarded as they were more than a century ago.

As Australia's first true polytechnic, we offer you the chance to learn from esteemed professionals in your chosen industry. A Melbourne Polytechnic qualification can help you get ahead, but also lead the way. We teach you the necessary theory and knowledge to better establish your own career.

Whatever you choose to study, our graduates are known to be capable and work-ready. Many of our courses offer work placements, exciting networking opportunities and modern training facilities that are industry-standard.

Our teachers are here to help you achieve your best, and they also understand that circumstances can change. If you face barriers to study, we can accommodate by offering personalized pathways, flexible study options and learning support.

With certificate level qualifications through to master degrees, Melbourne Polytechnic can pave the way to further study and help you to grow as a professional. Our teachers are passionate and established in their fields, ready to guide you in yours.

FEES, CHARGES AND FINANCIAL ASSISTANCE

Your course fees are determined by deciding factors such as course selection and individual circumstances at the time of enrolment.

Melbourne Polytechnic offers several options when it comes to paying fees and seeking financial support.

You may be eligible for:

- ▶ **VET Student Loans** (for VET students)
- ▶ **FEE-HELP** (for higher education students)
- ▶ Concessions on tuition fees, or
- ▶ Tuition Payment Plan (TPP) - Debitsuccess
